Internal Level Academic Audit

Institute believes that internal audit ensure effective implementation of academic policies for ensuring and sustaining quality. For this purpose, IQAC has designed integrated framework in the form of structured course file, academic record book, daily class conduction record, daily course coverage report and monthly course monitoring report. Principal and Academic monitoring committee members evaluate delivery effectiveness of teaching methods using structured documents and procedure framed by IQAC. The knowledge absorption and assimilation by students is constantly monitored as per the IQAC audit procedure.

- All faculty members submit Teaching plan for conduction of theory sessions to the academic committee as per the well defined format by IQAC.
- These teach plans are verified/checked at different stages in accordance with syllabus and scheme of examination given by the Karnataka State Law University.
- All faculty members maintain academic work diaries and record daily sessions delivered, practical's conducted and other such activities performed.
- This academic record is periodically monitored by Academic Coordinator by checking course coverage report filled by faculty member.
- On the basis of this report, syllabus coverage report is prepared by academic
- Coordinator at the end of the semester. If syllabus could not be covered as per schedule, the teachers accordingly take extra hours to fulfil the requirements.
- The Heads of institution also review the various academic activities during the
- Faculty meetings and guide the faculty members accordingly.

Students Feedback

Evaluation is an integral part of every professional course. Although there are various methods of teachers' evaluation, student's feedback is considered as the most effective and reliable method albeit a controversial one. For this purpose, IQAC of The BMS College of Law introduced the online student feedback system. The online student feedback is taken for each faculty members at the end of the semester to improve their teaching and professional development of the faculty. The head of the institution will analyse the data and appropriate action will be taken to improve the teaching pedagogy of faculty.
