Legal Survey

The NSS team of BMSCL worked to spread awareness on various schemes such as,

1. Right to Education
2. Government schemes
3. Free legal aid service

All NSS Volunteers were divided into groups, went to each and every house in the village of Choodahalli to conduct survey regarding their level of legal knowledge relating to above mentioned aspects. Each team was instructed to survey at least 12-15 households.

After successfully completing the survey and creating awareness among the villagers, a group of Volunteers helped in preparation of lunch and was distributed. The very next thing that was done was to form different committees to distribute and simplify the work. Each team was given a responsibility for a day in rotation basis, such as Stage and cultural committee, food committee, accommodation committee, activity committee, cleanliness and luggage committee. Then the male students and female students were given separate places to accommodate. The NSS team then cleaned the entire school campus, the place of accommodation and settled in.

From 6pm onwards the activity team of that day had arranged fun activity for volunteers, in which all the villagers, children were also included and actively participated. Around 8 pm with the help of food committee the dinner was prepared and distributed. Around 9 pm all the volunteers gathered and reported about the day to NSS Officer and there was briefing about the next day activities. All the volunteers had concluded the day by 10 o'clock at night.

Day-2 (04 Feb 2024)

Woke up at 5:00 am and started the day with physical exercise. At 06:00 AM there was NSS Flag hoisting along with NSS anthem.
